2010 Snack Bar Charge Privileges for Junior Sailing Non-Members

CPYC offers Junior Sailing families who are not CPYC members the opportunity to establish charge accounts for paying Snack Bar purchases during the summer program. This option has proved very popular for non-member children, since it eliminates the need for children to bring cash to Junior Sailing and eliminates the awkwardness of member children having Snack Bar charge privileges, while non-member children do not.

CPYC members automatically receive a Club Account Number. Non-members, however, do not automatically receive charging privileges, but must request a Charge Account and provide credit card information to the CPYC Bookkeeper. CPYC will process Snack Bar charge slips on a regular basis over the summer and bill the credit card account which you have provided to us. Please note that this Charge Account is only valid for charges at CPYC and may not be used to incur charges at other clubs.
